

**Firestone**

# **DURALOAD DT L-4**

## **DURALOAD**

Reduce downtime by decreasing early tire removals and keeping production rolling. The 45/65-45 Duraload DT giant loader tire features nylon and nylon/steel construction.

### **SPECIALIZED FEATURES**

- **Unique sidewall rib protection reduces cuts and sidewall damage**
- **New tread design for optimum traction and wear life**
- **Shoulder tie bars for added resistance to groove cracking, lug tearing and belt edge separations**
- **Larger footprint with more even footprint pressure**
