

Firestone

SDT LD L-5

SUPER DEEP TREAD LOADER DOZER

The **SUPER DEEP TREAD LOADER DOZER** bias tire offers **250% deeper tread** than **L3** patterns providing greater casing protection and longer service life. Certain sizes available with "steel shield" construction for added cut and impact protection.

SPECIALIZED FEATURES

- Super heavy duty non-directional rock service tread design
- Some sizes available in steel shield construction for additional cut and impact protection
- Extra tread depth is 250% deeper than our SRG LD (L3)
